

DAY OF CONSULATES OF E-WORLD ENERGY & WATER

E-WORLD ENERGY & WATER, JUNE 21 – 23, 2022, ESSEN/GERMANY

INVITATION TO THE DAY OF CONSULATES

JUNE 22, 2022

DAY OF CONSULATES

E-WORLD ENERGY & WATER 2022

INFORMATION

E-world energy & water is the place where the European energy industry comes together. Every year, international decision makers meet in Essen to discuss current developments and solutions. More than a fifth of the exhibiting companies are based abroad. Most international exhibitors come from countries of the European Union.

800

JOURNALISTS FROM
9 NATIONS

DAY OF CONSULATES

E-WORLD ENERGY & WATER 2022

The Day of the Consulates gives delegates of embassies and consulates the opportunity to get informed about the current situation in the energy sector. With our program we like to give you an insight into the development of the market and explain the possible effects on your home country. Exchange ideas with other delegates and get into dialog with our exhibitors.
