

DAY OF CONSULATES OF E-WORLD ENERGY & WATER

E-WORLD ENERGY & WATER, MAY 23 - 25, 2023, ESSEN/GERMANY

INVITATION TO THE DAY OF CONSULATES

MAY 24, 2023

DAY OF CONSULATES

E-WORLD ENERGY & WATER 2023

INFORMATION

E-world energy & water is the place where the European energy industry comes together. Every year, international decision makers meet in Essen to discuss current developments and solutions. More than a fifth of the exhibiting companies are based abroad. Most international exhibitors come from countries of the European Union.

DAY OF CONSULATES

E-WORLD ENERGY & WATER 2023

The Day of the Consulates gives delegates of embassies and consulates the opportunity to get informed about the current situation in the energy sector. With our program, we would like to give you an insight into the development of the market and support international cooperations in the energy industry. Exchange ideas with other delegates and get into dialogue with our exhibitors.
